

I want an adventurous,  
meaningful life.

I seek days filled with passion,  
purpose, and change that  
challenges me to be my best self.

I embrace having a servant-  
leader heart, faith, and positive  
self-talk that supports and  
propels me into my greatness!

I will attract a living-giving  
community that will tenaciously  
guide and lovingly assist me  
along the way.

I pray the same for you!
